

The Names of Nux

My name is Mr. Right. Always Right. And it's a good thing, too, because I get things done faster and better than anyone else. I'm the perfect boss, because I make everyone else toe the line and I expect nothing but the best performance and work out of everyone – nothing less than I expect from myself, of course. Yes sir, when I'm in charge, we get things done. There's no pussy-footing around.

My name is Mr. Bastard. Ima Competitive Bastard. I like winning. Being second place simply makes you the first loser. There's no place like first place, that's what I always say. Who ever had an aspiration to grow up to be second place? What child ever says "When I grow up, I want to be Vice President?" That is just asinine. I hate losing and I hate not being first. It pisses me off to no end. "Losing" is simply not an option – it's not even a word in my vocabulary.

My name is Jack. Jack Ass. I am so sick and tired of slow, stupid, lazy people. I can't believe it when I get held up and delayed because they can't do their jobs. I get so frustrated I could just smack them upside the head. Might as well do it myself than let some incompetent idiot ruin my day, and I don't mind saying so. What's the big deal? People need to know their place.

Don't worry about my name, sweetheart. What's a name anyway? Maybe you can just call me Lover Boy. You are absolutely beautiful do you know that? My-oh-my, I can't remember when I last saw a finer female specimen. Would you do me the honor of permitting me to buy you a drink?

Okay, so call me Irritable. Who wouldn't be? People who have no business doing so stand up to me. And you bet I am going to be irritable when people don't listen or refuse to do things the way I want them done. People don't put things back where they got them – that irritates me too. That just makes things a mess and slows me down.

Call me Type "A". Alpha Dog. Top Dog. Workaholic. Over-Achiever. Rude. Prick. Impatient. Inconsiderate. Ambitious. Driven. Angry. Jack Ass. Picky. Compulsive. Cold. Heartless. Jealous. Petty. Sex-monger. Alcoholic. Addict. Call me whatever you want and then how 'bout I kick your ass for it?

Nux Vomica in Traffic
